**NOTICE: Page 25, Section 11 of the Marion Zoning Ordinance Book states:**

"Private swimming pools may be constructed as an accessory use, but shall be completely enclosed by a permanent wall or fence NOT LESS THAN 6 FEET IN HEIGHT and shall meet the requirements of the City/County Health Department. A swimming pool shall not be constructed in front of the front building line and no portion of the pool, equipment, walkway or other facilities related thereto, shall be located no closer than ten (10) feet to the side or rear lot line."

I hereby certify that I have read and examined this application and found the same to be true and correct. All provisions of laws and ordinances governing this type or work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction. If application is granted, I agree to notify the Building Inspector or his representative when work is to be started, and when all different types of Inspections are to be made.
